THE RANCH RECOVERY CENTERS, INC. is a non-profit 501 (c) 3 organization established in 1972. We have provided good quality, well structured, effective treatment for men, women, and families in need of help for alcohol and drug dependencies.

Your generous gift will make it possible to help those in need who can least afford it. Many of those we serve are unable to pay for all or part of treatment they need. Some of those in need may be partially funded from various local agencies while others are not funded at all. Your generous donation can help pay for a client's complete treatment.
